Andrew

Oliver

Oliver Perry

Grace (she is the last of the Phillips in my tree. She was a late baby like me as was her grandfather Oliver a late child of Andrew.

My dad was named after the Irish poet Robert Burns his brother Harold's middle name was after his grandfather Oliver his second brother Charly was middle named after the middle name of the other grand father, Henry Eugene Robinson and the last brother was named after the gggreat grand father Phillips Herbert Andrew

The first Oliver married in Ohio, he the last to be born in RI, to a Kennedy so they named their kids first William Kennedy Phillips then the next Alexander Kennedy Phillips after the Kennedy grandfathers. I like all this.

I'll add your line to my computer. I have some 5,000 names.

Look up a cousin of ours. Bette Henry. She is of the brother to my Mary Johnson, Humprey Johnson. I have been in contact with a cousin from each of

the first family group, the children of Capt John Johnson.
